### **Plea for Foundation Governors**

As you may be aware, there has been recent local press coverage of the new Church of England Secondary school to be built at Wichelstowe. I felt that this was an ideal opportunity to remind our local churches of the role of Foundation Governors in supporting Christian values and ethos in primary schools.

Here, at Oliver Tomkins Schools, we currently have 6 vacancies for Foundation Governors. Church schools rely on Christians taking an active role in developing the Christian ethos and character of the school. Our current Foundation Governors are Clive Deverell and Rahel Dams and Nigel Howarth from Gateway Church. The school would very much appreciate having more Christian input on governance matters.

There is an application process and certain criteria have to be met along with the support of the church leader.

If anyone is interested or would like further information or a visit to the school, please contact me via Mrs Tina Oliver (clerk to the governors) at the school.

Ben Fleckney - Chair of Governors
